Notes:

Gold	Each arrow can have up to 9 gold stripes. You will use 4 for the compass points, and then can use up to 5 more for each scout based on the number of Wolf and Bear activities he accomplished. If your scout accomplished more, only use a maximum of 9 as otherwise you will run out of space on your arrow.
Silver	Each arrow can have up to 3 silver stripes. If your scout achieved more, this can represent all of their achievements.
Green/ White	Each Webelo can use up to 3 sets of ¼" in a white/green pattern. (If your scout achieved more than 3 additional pins, this can represent ALL of their achievements. There isn't room on your arrow to add more.
